Hi Sarah,

I hope you are doing well!

This is nothing relating to COVID-19 but I hope you can help me out. I have been trying to figure out who owns the wash behind 20641 Celtic Street. I called SAN to have this wash maintained and they put in the service request so that answered the question of who is responsible for it.

The owner has been dealing with this for over a year and he has received his brush clearance notification for this year which is why he has reached out again. If you could refer me to someone who can assist me on this if this is not under your purview that would be great.

Let me know if you have any questions or concerns.

Best,

Myrka Martinez
